

ESTHER: THE PAGAN GODDESS IN DISGUISE (SONG LYRICS)

Produced by Ben Heath using Suno AI. This song features completely original Biblical lyrics crafted to glorify God and teach sound doctrine — powerful truths that are hard to find in modern worship.

[Verse 1]

In the Persian palace where the heathen kings would play
They wrote a little story 'bout a queen who saved the day
No mention of the Lord, not a prayer, not a name
Just a beauty contest winner playin' a deadly game
Esther ain't no Hadassah, she's Ishtar in disguise
Mordecai's just Marduk wearin' a Hebrew disguise
They cast the lots for slaughter, then they flipped it on a dime
Seventy-five thousand dead in the name of their bloodline

[Chorus]

Oh Esther, you pagan villain, you serpent in the scroll
Satan snuck you in the Bible, now the church is sellin' its soul
You turned the pure bride filthy, made the harlot look like gold
Christians marchin' off to Zion 'cause your story's been retold
Esther, Esther, abomination standin' in the holy place
The Book Satan Snuck In — God help us see your face

[Verse 2]

She hid her blood, she sold her flesh inside the pagan bed
Rose on perfume and pillow talk while the king lost his head
Haman built the gallows high, but the rope got turned around
Now the "victims" drink and dance while their enemies hit the ground
Purim's just a witchcraft carnival, masks and whiskey blur the line
Blurrin' cursed be Haman with blessed be the crime
It's Cain's old playbook runnin', inversion is the game
Stealin' Judah's name and turnin' truth into a flame

[Chorus]

Oh Esther, you pagan villain, you serpent in the scroll
Satan snuck you in the Bible, now the church is sellin' its soul
You turned the pure bride filthy, made the harlot look like gold
Christians marchin' off to Zion 'cause your story's been retold
Esther, Esther, abomination standin' in the holy place
The Book Satan Snuck In — God help us see your face

[Spoken Word Bridge]

Listen... this ain't no hero tale.

This is the serpent more subtil than any beast of the field.

He wrote himself into the Book, stole the name of Judah,
turned the pure and holy bride into a cunning whore in the king's bed.
Now the six-pointed star flies high — two triangles locked in inversion,
heaven pulled down, hell exalted.
And the church... the church cheers "For such a time as this!"
while the real Israel stays scattered and blind.
Wake up.
The abomination stands in the Holy Place.
The fruit is rotten.
The fruit is Zionism.
And the elect... they're supposed to see it comin'.

[Verse 3]

Now the pulpits scream "Esther!" every time the news gets bad
Iran's the new Haman, and the Christians marchin' mad
Billions flow to the counterfeit while the true seed stays unknown
Satan laughs in the shadows 'cause he reaped what he has sown
But the simple believe every word, Proverbs fourteen fifteen
The prudent look well to their goin' and they see what's in between

[Final Chorus]

Oh Esther, you pagan villain, you serpent in the scroll
Satan snuck you in the Bible, now the church is sellin' its soul
You turned the pure bride filthy, made the harlot look like gold
Christians marchin' off to Zion 'cause your story's been retold
Esther, Esther, abomination standin' in the holy place
The Book Satan Snuck In — Lord, rip the veil from our face!

[Outro]

Yeah... the Book Satan Snuck In...
The Book Satan Snuck In...
Wake up, children... before the gallows turn around again.
