

# 3 Parallels Between Haman & Jesus' Public Humiliation

	Purpose	Haman	Jesus
#1	Public Spectacle of Reversal and Shame	Forced to put the <b>king's robe</b> on Mordecai & Parade him through the streets	Forced to wear <b>mock royal robe</b> and crown of thorns carrying cross through the streets
#2	Humiliation Meant to Break and Deter	Designed to crush his pride, isolate, and instill fear in others	Scourging, mocking, and crucifixion were intended to break Him psychologically, discredit His claims, and scatter His followers.
#3	Visible power, the State manipulated by shadow government	Esther and Mordecai manipulated the Persian King to carry out the ritual	Leaders of the Jews manipulated the Roman government to carry out the ritual
